

Visiting Artists Retreat Guest Room Opens On South Side of Kauai

We are delighted to welcome visiting artists, who are seeking short term accommodations as guests in our home, who are inclined to evaluate and consider becoming an Artist4Peace. This campaign, listed on this website (www.kauaikeepsakes.com/artists4peace/), is an invitational experience for artists in these disciplines:

Painting	Photography	Jewelry	Sculpture	Experiential Art
Poetry	Music	Writing & Books		

We are offering a retreat on the grounds of our Ohana House, just outside the Artists community of Hanapepe, HI, where a weekly art night is conducted, featuring the more than one dozen galleries, and Artistes du Boulevard. We encourage you to consider adding this part of the island of Kauai to your visit, and be our guest for a few nights of artistic compatibility and conversation.

Our Guest room includes an adjacent bathroom, which has solar heated water(it's hot, usually), and a tub, for soaking away your aches and ease your soul.

Nightly contributions to the household of \$35.00 per room night, include a welcoming meal(vegetarian optional), wireless internet access(we have two computers if your personal computing device is not accessible on this trip); and a wonderful lanai(porch) that overlooks the ocean to the west(great sunsets).

We can accommodate a single person, in our guest room, as our house guest for a maximum of 5 consecutive room nights.

For additional information on this option, and to discover what we represent, we suggest you look into these online profile sites:
